### **Announcements:**

1. Please check out the clothes, books, dishes, and etc, that are right inside the south entrance doors. We plan to disperse the unclaimed goods to a local charity and we do not want to get rid of something that you would want.

2. We had a wonderful week of VBS, with the average attendance approx. 74. The offering this year is going for “Jesus wells” in Asia, the children raised a grand total of \$5081.29. If there is anyone who would like to contribute further, you can do that today!
3. Thanks also to all those who helped with the food, the teaching, cleaning, transporting kids, and etc... May your reward be eternal!
4. Thank you so much Garrett and Audrey, Mel and Char, for all the work and organization that went into VBS!
5. Update on Alton: We met with Dr. Agargwal again today. He had the results of my tests we had done Tuesday & Wednesday of this week. He said he does not have good news. My cancer has started to spread, mostly in the lymph nodes. He also said my cancer is in Stage four. And the blood issue in in the advanced stage. So I asked him what life expectancy I have, and he said from stats, he would say from 6 to 9 months.

Pray that Alton might stay pain free, and that God would grant him strength and courage in following Jesus without faltering.

6. Remember to pray for the upcoming MDS trip, June 25,-July1. The youth are headed to Pine Ridge, SD, this is the poorest county in the USA with lots of spiritual darkness and alcohol abuse. Pray that we might shine the light of God to all we meet.
