“You have a blood bought, inexpressibly happy, totally undeserved future. If I could believe that at every moment of conflict, every moment of disappointment, every moment of frustration, at every moment as I look out across the world, I would be a very loving man.” – John Piper

“If we want the marriages in our churches to glorify God. We better, week in and week out, make God central in our preaching, not marriage, but God almighty has to rise up out of this congregation, He is my all, He is my satisfaction.”
