4. Just a note to answer some of the questions. I had internal injuries - removed 2 quart fluid from chest, 5 fractured ribs, 2 vertebrae, stitches for a cut and other bruises, 2 wk in hospital, 1 wk rehab, 1 wk home adjusting, I think I'm 80-90% recovered. A thank you seems like a weak word to really express the heartfelt appreciation for the love, prayer, support, encouragement and caring of you our church family. The food was appreciated very much. Thank you!

- Ora & Elizabeth Lehman

*Revelation 19:11-13*

*Then I saw heaven opened, and behold, a white horse! The one sitting on it is called Faithful and True, and in righteousness he judges and makes war. His eyes are like a flame of fire, and on his head are many diadems, and he has a name written that no one knows but himself. He is clothed in a robe dipped in blood, and the name by which he is called is The Word of God.*
